decorating our

Christmas using  
branches of fir  
tree and tinsel!

Hurrah!  
We are  
preparing  
the whole  
school for  
this party!

Hello! I'm  
Georgiana  
and we are  
trying to  
decorate  
our class  
Christmas  
tree as  
beautifully  
as we can!

Waiting for  
Santa , we  
are all  
helping each  
other  
decorating  
the  
Christmas  
tree using  
globes, stars,  
tinsel, nuts,  
or candies.

The valse of the snowflakes lets us know about the arrival of the winter.

We are very good because Santa has to show up every minute

I have come to your party because I've heard you're the best...

I'm Snowman! I'm helping Santa to bring our pupils lots of presents.

Wearing our popular costumes, we are singing carols for our parents and all the other people living in Adancata at church.

What wonderful news,  
From Bethlehem we can hear.  
Today the Christ is born  
As our ancestors have already told us!

„Mascați”(Masked People) are chasing away the evil spirits to let the New Year come.

We are Coroi's Band !  
Another New Year's Eve tradition from our village!
